

# 58 6120

As cut resistance specialists we constantly strive to deliver high level cut protection for our customers in a solution that feels truly wearable, comfortable and tactile through our Rhino Yarn™ technology.

## The impossible, made possible.

Tilsatec | +44 (0)1924 375742 | [info@tilsatec.com](mailto:info@tilsatec.com) | [www.tilsatec.com](http://www.tilsatec.com)

For businesses who want expertise they can rely on to keep their people safe, Tilsatec offer high performance hand and arm protection. We manufacture our own proprietary cut resistant yarn - the primary source of mechanical protection, on site in the UK. This means we can deliver maximum performance in every fibre of what we do. Because when our gloves perform at their best, your people can perform at their best.

# 58 6120
