## Performance

ANSI 105: 2016

EN388: 2016

EN407: 2004

Made with Tilsatec Rhino Yarn technology. Produced in the UK and developed by Tilsatec's specialist team of yarn technologists to deliver the optimum in performance and comfort.

Tilsatec | Tel: 001 877-466-8499 | [info@tilsatec-na.com](mailto:info@tilsatec-na.com) | [www.tilsatec.com](http://www.tilsatec.com)

For businesses who want expertise they can rely on to keep their people safe, Tilsatec offer high performance hand and arm protection. We manufacture our own proprietary cut resistant yarn - the primary source of mechanical protection on site. This means we can deliver maximum performance in every fiber of what we do. Because when our gloves perform at their best, your people can perform at their best.
